

Members of Tri-City APICS

Hope your having a great summer. Mine has been very “busy”, but likely the best ever!

The chapter’s Directors held its July meeting aboard “The Summer Wind” cruise ship. We handled some business and enjoyed the sights of Chautauqua Lake. After dining, we were entertained by a two-man band and an amazing light-show curiosity of a fast-moving thunderstorm (see, it’s not all work being a volunteer)!

Developing the 2007 – 2008 program has proven challenging as the board is without an Arrangements Director. We have begun making plans to tour a variety of production facilities, the first of which will be Jamestown’s BPU (Board of Public Utilities). The date is October 16th and more details will be contained within our next newsletter.

Tri-City has arranged its Fall CPIM review class, “Strategic Management of Resources”. Classes begin September 25th at MTI (Manufacturing Technology Institute) in Falconer. Please find a registration form within this newsletter.

Soon you will receive a special email from Tri-City APICS. The message will invite you to take a ten-question survey at “surveymonkey.com”. A link to this survey will be provided along with a password. Please take a moment to complete the survey (trust me, it’s fast and easy) as we need your input and it helps fulfill an Apics (Society) requirement for all chapters.

Yours in Apics,
Todd Eggleston, CPIM
VP & Treasurer

The following is a capsule summary of the 08/07/07 meeting of the Tri-City Board of Directors:

- ❖ The minutes of the July meeting were reviewed and approved.
- ❖ The budget for the upcoming program year was reviewed and discussed. Some budget categories with low activity were consolidated into a similar grouping.
- ❖ We received a ‘tax status’ inquiry from the IRS. Todd will respond to the request.
- ❖ No PDM is scheduled for August.
- ❖ We are still actively looking for added participation in our board of directors from members. Specifically we need a person help plan and set up programs.
- ❖ We are placing an order with the Apics ‘store’, to use up the credit allowance earned by reaching platinum status as a chapter.
- ❖ The CPIM review class for this upcoming semester has been moved to Tuesday nights.
- ❖ We will be sending out a survey link for our membership to contribute their views on the chapter’s offerings.
